Messes, Clark, Gregory & Co. Nashville,-There are thousands of Patent Nostroms puffed and trumpeted over the country which are worthless, and need only to be known to be hated. A counterfeit, however, is no proof that there is not a genuine. I have tested the efficacy of your Ambrogial Oil, in so many cases both in and out of my family, that its value is no longer a subject of doubt with me. Physicians are using it in their practice, and families now using it say they are so well pleased that they connot afford to be without it. If you or others desire specialities as is entirely without foundation. We intend to its value,I will be happy to give them at any time. REV. JOHN P. CAMPBELL.
